

Educational Opportunities 2010

ASSA ABLOY, the global leader
in door opening solutions

Attendance is FREE *limit of two registrants per seminar
from each distributor branch, please.*

SHOP SEMINAR

April 12-13, 2010

CURRIES Shop Seminars are a real "hands on" experience. All attendees will greatly benefit from these sessions.

Participants pair up under the supervision of knowledgeable craftsmen to modify and weld doors and frames for jobsite delivery.

ESTIMATING AND PRICING SEMINARS

Basic Seminar – May 3-5, 2010
(less than 3 years' experience)

The basic seminar will include instruction from the CURRIES Tech Manual in basic hollow metal products and the procedure to find the product line that will fill your needs. The pricing segment of the seminar will cover doors and 3-sided frames and will introduce students to elevation pricing. The student will be shown the basics in filling out a door and/or frame order and the process for using the COW system. An introduction to fire labeling and codes will also be given along with fundamental troubleshooting information.

Advanced Seminar – September 27-29, 2010
(3 or more years' experience)

The advanced seminar will include the CURRIES TECH Manual and also introduce the students to all of the products and systems available with CURRIES and ASSA ABLOY. The pricing segment of the seminar will review pricing procedures along with using advanced elevations and tools available to help in pricing CURRIES products. A session of fire codes, hurricane, and FEMA codes will be discussed along with troubleshooting a frame and door.

OPTIONAL 2-DAY PRO-TECH® TRAINING CLASS

May 5-7, 2010

An optional 2-day PRO-TECH training class will begin after the CURRIES Estimating session. The class will be held on Wednesday, May 5, and close at 11:00 am on Friday, May 7.

The class is geared toward users new to version 7, or those who may have attended a prior version 7 session and need a refresher course.

The training will include:

Version 7 Overview, Company Setup, User Security, Project Tasks/Calendar, Working with the New Spreadsheet Type Grid, Estimating Hardware, Estimating Doors and Frames, Designing Quote Forms, Detailing Hardware, Door and Frame Detailing, Processing Hardware, Ordering, Receiving, Shop Orders, and Shipping.

Seating is limited, so reserve your space TODAY!

All seminars will be held at the CURRIES facilities in Mason City, Iowa

Lodging

Lodging and meals will be provided.

Accommodations will be provided. We ask participants to room share to reduce cost.

Single room reservations are available to those individuals sending a \$40.00 per night deposit at least ten days in advance of each session to CURRIES attention: **Dave Goetzinger**.

We cannot guarantee single rooms without this deposit and prior knowledge of your request (note the registration forms, please).

Attendees also have the opportunity to meet and socialize with the CURRIES Management Team and Customer Service Professionals.

Transportation

Students are responsible for transportation to Mason City.

Transportation to Mason City from the Minneapolis St. Paul International Airport will be provided on the Sunday afternoon prior to the beginning of each session. We will provide return transportation to the airport at the end of the session.

Additional details will be outlined in a confirmation letter after registration and acceptance into a seminar.

Please do not make any reservations until you receive your confirmation letter from CURRIES.
