

Press Release

ASSA ABLOY Group Brands Offer Full Line of High Performing Specialty Products

May 19, 2016, New Haven, CT—ASSA ABLOY Group brands Ceco Door and Curries carry a full spectrum of high performing specialty door products for applications exceeding the limits of standard materials. This portfolio provides architects, contractors, distributors, and end-users a single source for all door opening solutions.

Utilizing only the highest quality materials and manufacturing techniques, the products featured in this group meet the full range of safety, security, and aesthetic requirements:

- High Acoustical Ratings up to STC 66
- Blast Resistant
- Bullet Resistant
- Fiberglass Reinforced Polyester
- Hurricane Resistant
- Lead-Lined
- RF Shielding
- Stainless Steel
- Tornado Resistant
- Water Resistant

High performing specialty products from Ceco Door and Curries are available in various sizes and finishes, and have all been developed with an emphasis on sustainability. These products can provide numerous LEED credits including environmental and health product declarations, as well as Declare labels for projects participating in The Living Building Challenge.

A new informative brochure has been developed and is [available for download](#). This brochure provides the technical information, advantages, and applications specific for each product

category and how they can increase the security, safety, and functions of your buildings and occupants.
